ABOUT US

A coach operator, not a broker.

Šahbaz Travel is the brand of ŠAHBAZ GROUP d.o.o., a passenger transport company founded in Maglaj, Bosnia and Herzegovina, on 13 November 2025. We own and operate our touring coaches and hire them out with our own drivers.

We work as the coach partner for travel agencies, incoming agencies and tour operators: day tours, multi-day Balkan tours, airport and hotel transfers, and private group charters.

> An exceptionally positive experience! Full praise for the professionalism, kindness and fair dealing. The coach was tidy and comfortable, the ride safe and pleasant, and everything was organised and carried out without any problems, exactly as agreed. I would especially like to praise Edin, who was very kind, helpful and professional throughout the whole trip. A truly reliable carrier, recommended from the heart. Thank you for a pleasant journey and excellent service!
